Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: the applicant's representative discussed the difference between claim 1 and Hsu et al. reference. An amendment will be submitted to amend the claim as "automatically switch different navigation information on or off depending on the orientation of the navigation device". Hsu et al. do not teach this limitation. However, the examiner will update search and reconsider the application in light of the discussion and the formal amendment .
